

Resolution, Inc. has been expert in the environmental and health and safety industry for over 30 years. We offer courses for Asbestos, Lead, and HAZWOPER health and safety. Some of the perks of training with us are:

1. We include several states into your certification. When you sign up for a course with us, you will also have the capability to apply to other states besides Tennessee. In addition, our training program also has reciprocity in several other states throughout the country.
2. Course content is accredited by the EPA, as well as recognized by OSHA, so you never have to worry about the validity of the content instructed.
3. Included with registration is a course manual for each discipline as well as federal and state regulations.
4. We provide refreshments to make everyone feel right at home.
5. We provide helpful information from someone who cares when you need it the most.
6. We create personal relationships with our students and make sure that they get a quality education that all professionals should acquire.
7. We have the possibility to conduct personalized, on-site training for your convenience, saving your company travel expenses and time.
8. We have a quick turn-around for paperwork and certificates.
